motion graphics designer for the creative team at a game
and digital entertainment school in Rio de Janeiro (Brazil).

Asset Designer

Charlie's Currency Exchange | May 2015 - Current

First job in Vancouver! :D
I started as a clerk, but it didn't take long until my boss
took notice of my other skillset and put them to good use.
I started doing everything from revamping the website to
SEO, social networking, corporate identity, print
advertisement and more.
